## DeLano's Market Replaces Cala

On Tuesday, February 27, the new DeLano's Market replaced the Cala Store on 18th Street between Collingwood and Diamond Streets. Most of the former Cala employees will continue working at the store. With many neighborhood supermarkets closing down, we are fortunate that DeLano's, which has also acquired the former Cala/Bell Market on 24th Street in Noe Valley, will provide The Castro/Eureka Valley with a fine selection of groceries.

## Remember, APRIL is Dues Month

Earlier this year, General Membership approved changing the time annual dues are collected from the anniversary of joining to April. This will make budgeting easier. So please, send in your membership renewal next month!

## New Outreach/Marketing Strategy

One of EVPA's goals for 2007 is to increase membership and awareness of the organization. With that in mind, Board member Joe Caruso has suggested broadening the audience for our email version of the Eureka! newsletter.

Joe has suggested that we email the newsletter free of charge to as many neighborhood individuals and organizations as possible, so that they are aware of issues and of EVPA's goals. If someone wants to vote before EVPA takes a position, they will have to join the organization and attend the meeting at which the issue will be discussed. This proposal will not increase our costs. Because the newsletter is currently posted on the website and is therefore available free of charge, it is already available to the public. Joe's proposal, however, would allow us to target our neighbors and local businesses. We will discuss this further at the upcoming March General Membership meeting.

## Local Artist Award from Art League of Northern California

EVPA member Tito Vandermeijden's image "Marquis De Castro" was one of the Accepted Entries for the National Competition of the "It's Photography II", held by the Art League of Northern California.

Tito is currently showing his work in the neighborhood at the Castro Tart Cafe 564 Castro Street [west side bet. 18th & 19th] thru the end of March 2007. He will be displaying again at the same location in June & July of this year. He will also display in Starbucks [18th St., nr. Castro] in July this year. His work is also being shown at the Desert Bear Resort in Palm Springs.
