

July 23, 2020

Hello Future Neighbor,

My name is Rob Goldman, and my wife Kristin and I recently purchased the house at 320 Liberty. We are very excited to be moving back to SF after spending the last few years on the peninsula. It feels like a homecoming for us, as we lived on nearby Diamond Street for 10 years from 2006-2016. Our kids, who are now in high school, grew up in the neighborhood and the whole family is very excited to be returning.

We have been working with an architect on plans for improving the property and we have scheduled a meeting to discuss the project with our immediate neighbors on Monday, August 10th. As a result of the COVID 19 pandemic, the meeting will be held by phone and video conference from 6pm to 7pm. Please find the information to join the meeting below.

It is our goal to build a home that suits the neighborhood, improves property values, and is constructed in a manner that is considerate to the needs of our neighbors. I've included some contact information for us below, please feel free to reach out to us directly anytime.

It is strange to have to have a process like this be entirely remote, but I expect that in this era of social distancing, it's the best way. We are looking forward to meeting you in person when this is all behind us. In the meantime, I hope your quarantine is smooth and that you stay safe and healthy.

Please feel free to reach out anytime.

Best,

Rob and Kristin Goldman
